# Join a PCAP tribe meeting

**(...and kick traditional HR into touch  
to get better business results...)**

## **Are you:**

---

- **Busting your butt implementing 'people' strategies but not getting the outcomes you want?**
- **Tired of HR being the business underdog or struggling to make significant change (& no, mass redundancies don't count)?**
- **Looking to enhance your 'people' expertise but don't have the time for a tertiary degree?**

If you answered yes to any of the above, come along to a PCAP Tribe meeting – a space where people who are passionate about people come together regularly for 2 hours and learn and share transformational hiring, inspiring, engagement and retention practices (that aren't taught at uni).

## **What we do:**

---

- World-class curated content
- Fun, regular events
- Peer celebration & reinforcement
- Guest & member speakers
- Topical issue deep dives
- WhatsApp group

Brought to you by:

Australia's only dedicated People  
& Culture Accelerator Program

# What's my cred?

Two books – *Winning The War For Talent* & *Family Village Tribe* plus I've spoken about my 'people' innovations at and on: Asia/Pacific Talent Conference (Taipei), Sky Business News, Channel 7 News, ABC John Faine program & Conversation Hour, Australian Financial Review, Qantas In-Flight Radio, The Age, Courier Mail, BOSS Magazine, Brand Eins (Germany) and many more....

## Why join the PCAP Tribe?

**Kick 20th century HR into touch** – share new evidence-based ideas and strategies, listen to case studies/inspiring speakers, commit to actions (and we'll all hold you accountable), and spread the word on what works and what doesn't. Traditional HR is just not cutting it so join a movement to shake things up and build remarkable workplaces where both people and profits flourish.

**Don't be a lone wolf** – Sick of those cringey networking groups (that feel like the worst parts of high school), but don't know where to go to connect with real people? The PCAP Tribe is a group of like-minded people looking to have more fun, learn from each other, and solve all of our 'people' challenges, one meeting at a time – we're not speed-dating for email addresses!

**Strength in numbers** – rather than muddling through by ourselves, growing our tribe provides us with opportunities for more fun, inspiring stuff – paid content/speakers, shared tools and additional activities, such as an annual conference.

**Online support** – Join our WhatsApp tribe for group answers to quick questions, to post your success stories, or just to share interesting bits and pieces between meet-ups.

### WHAT DO WE WANT TO ACHIEVE LONG-TERM?

- **We steal the show, attracting, hiring and retaining the best people** to achieve extraordinary business results (which we then post in articles to spread the word...)
- **We become HR whiz kids**, solve our business challenges, and fast-track our careers.

### WHO CAN COME ALONG?

Participants from my past masterclasses plus anyone looking to drag their people processes into the 21st century. I'm not fussy.

### WHERE AND WHEN?

We'll get together in Brisbane at the Sync Room in the Paddo Tavern (or somewhere similar) every 6–8 weeks. The first will be on Tuesday May 14 from 2.30–5pm (*Fast-track your business success*), followed by social drinks from 5–6pm. There are 50 car park spaces available at the hotel or its a 3 min Uber ride or 15 min walk from Milton train station. (Note as we're just kicking off this may all change too....)

### COST?

I charge \$150 (with 15% early bird discount if booked by 14 April) to cover the room hire plus my curated content, administration and prep. **[Click here to book.](#)**
